

The 2005-2006 State Executive Council challenges
YOU to RECRUIT and RETAIN membership!

Focus your FCCLA membership efforts on not only recruiting new members for the Ultimate Leadership Experience, but also make sure that you are **RETAINING** your membership from the previous year. We would like to challenge all chapter members to complete the requirements for the ***Be Part of It!*** membership campaign by recruiting at least **three** new members and **retaining** your chapter members from the previous year.

Be Part of It!

For more membership ideas,
check out the membership section
of the FCCLA web site each month!
